

Case Management Nursing Standards of Practice and Certification Review

ONLINE PROGRAM

Are you taking the Case Management Nursing Exam?

New York State
NURSES
ASSOCIATION

One strong, united voice for nurses and patients.

Learning Outcome:

Participants will be able to apply current standards of care in case management nursing to selected situations, in accordance with the Commission for Case Manager Certification (CCMC), standards of care for case management nursing.

Program Objectives:

Upon completion of this workshop, participants will be able to:

- Discuss the Fundamentals of Case Management.
- Discuss the skills included in Case Management.
- Identify the components of Resource Management.
- Recognize community and provider support services as they relate to case management needs.
- Apply the principles of Quality Management and Performance Improvement to selected situations in case management.
- Discuss the Case Management scope of practice and its implications to case management issues.
- Discuss the Legal and Ethical components of Case Management.
- Recognize the implications of education, learning, and health promotion as it applies to case management.
- Discuss the importance of disease management and wellness promotion with cultural implications in case management.

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been awarded **12.0 CHs** through the New York State Nurses Association Accredited Provider Unit.

The New York State Nurses Association is accredited by the International Accreditors for Continuing Education and Training (IACET) and offers IACET CEUs for its learning events that comply with the ANSI/IACET Continuing Education and Training Standard. IACET is recognized internationally as a standard development organization and accrediting body that promotes quality of continuing education and training.

The New York State Nurses Association is authorized by IACET to offer **1.2 CEUs** for this program.

NYSNA wishes to disclose that no commercial support or sponsorship was received. NYSNA, Program Planners, Presenters, and Content Experts declare that they have no financial relationship with an ineligible company.
Declaration of Vested Interest: None.

IMPORTANT: In order to receive CHs/CEUs, all participants are required to attend the entire workshop, complete all in-session program assignments, complete an evaluation form, complete and return a post-program SurveyMonkey® questionnaire and/or complete and return a post-program checklist, where applicable. **You will need a personal computer and internet access to attend.**

Faculty:

Ellen Rearick, PhD, RN, CCM

Ellen Rearick has been an RN for over 36 years. She is currently licensed in three states, and has practiced in a variety of community settings. Dr. Rearick is a full-time faculty member at Framingham State University.

NYSNA reserves the right to cancel this program if a sufficient number of participants are not registered, in which case if a fee was paid, the entire amount will be refunded.

Make sure to check your email for confirmation of registration and the further steps you need to take to be prepared for the program and how to retrieve the handout materials before the start of the program.
