Learning Outcome:
Participants of this program will be able to engage in the medical mission they embark upon with literacy regarding the essential cultural concepts, social determinants of health, public health and medical mission team work in the respective country.

Objectives:
1. Explain disaster-related concepts and strategies aimed at mitigating risks, minimizing impacts, and speeding the process of community recovery in the aftermath of a natural disaster.
2. Develop a view of themselves as multicultural beings involved in cross-cultural encounters.

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This program has been awarded 10.0 CHs through the New York State Nurses Association Accredited Provider Unit.

The New York State Nurses Association is accredited by the International Accreditors for Continuing Education and Training “IACET” and is authorized to issue the IACET CEU.

The New York State Nurses Association is authorized by IACET to offer 1.0 CEUs for this program.
